

REMARKS

Claims 1-7, 9-15 and 17-78 have been canceled without prejudice. Claims 8 and 16 remain in the application for consideration.

Allowable Subject Matter

Claims 8 and 16 have been indicated by the Office as being allowable. Applicant thanks the Office for the indication of allowable subject matter. Applicant has canceled the remaining claims for the sole purpose of allowing a patent to issue with the allowable subject matter so that the public may benefit. The cancellation of these claims should not be construed as an admission of the propriety of the Office's rejection. To that end, Applicant reserves its right to file one or more continuation applications to further prosecute subject matter to which it believes it is entitled.
